

Do your part to upgrade the ROHS Auditorium!

Royal Oak Performing Arts students need your help! Our students have long excelled at Performing Arts Competitions around the state and it is time to make the Royal High School Auditorium as excellent as our students.

We are raising \$100,000 to replace the 57 year old seats in the auditorium this summer. You can help by donating to put your name on a plaque or a seat to show you love of the performing arts at ROHS! You can even receive one of the old seats if you like!

Fill out the form below and your name will be included forever as a patron of the new ROHS Kimball Auditorium.
